We dedicate the Fiftieth Viking to the memory of all those who have preceded us at North—the students who have given a winning spirit and contributed their time and abilities in school activities for the improvement of the school; the teachers who have guided so many in the search for knowledge, and who have also willingly dedicated their time and abilities to make it possible to weave dreams into realities; and to those from North who have died in the service of their country that we might continue to receive the benefits of living in a Democracy.

## introduction

Since the first graduating class in 1886, which consisted of six girls, North has grown tremendously. North first occupied a four-room frame building at the present site of Ashland School. This building accommodated all high school pupils and those of the sixth, seventh, and eighth grades of the town district.

In 1888 this building had become too small for the number of pupils, and work was begun on the Ashland building. During this time the high school was held in the Arbuckle building at the corner of North Speer and Federal Boulevard. In the fall of 1889, the Ashland building was opened and it was the home of North Side high school for twenty-two years. The enrollment steadily increased during this time and in 1907, construction was begun on the present North Side high school. This building was finished in 1911, and has been the home of North since that time.

During the past seventy-two years, North students have read news items in the newspapers of the Spanish-American War and World War I; have listened to radio news commentaries of World War II; and have seen and heard on television, prisoners of war returning home from Korea. Many have served their country in the armed forces, and many have sacrificed their lives in this service. The automobile, the airplane, the submarine, the atomic bomb and the hydrogen bomb, have all been developed while North High students were on their quest for knowledge. What are the stories the walls of North could tell? Who are some of the people who have walked her halls? We can never answer these questions fully, but we know that the memory of each class will never be forgotten.

In this 50th Annual we will strive to present some of the events of the past and present, and the hopes and dreams of the future.

To Lou  
With wishing you  
all the luck and  
success there is.

Miss Pat Whelan,

Editor, The Viking  
Denver, Colorado

Dear Miss Whelan:

I feel highly honored to  
have you consider me for mention in the  
next year's Viking.

Your letter has been the  
occasion for me to think a great deal  
about the three very happy years that I  
spent at North Side High. The many  
enduring friendships which I made during  
those years have been most significant,  
and the impetus I received from my  
teachers and the activities in which I  
participated I know set patterns of work  
and thought that have been of the first  
importance to me.

A fiftieth anniversary is an  
important date in the life of any institution  
or person, and while the Viking is cele-  
brating its fiftieth anniversary, I am also  
celebrating mine.

Sincerely yours,  
Ward Darley

Dear Miss Whelan:

It gives me great pleasure to tell you  
how very much I appreciate my years in the North  
Denver High School and to congratulate the North  
Year Book on having reached its 50th year.

I can directly attribute my successful  
start in music to my attendance in the North  
Denver High School, where I met Mr. Wilberforce J.  
Whiteman, who started me on my musical career.

Wishing the Viking Year Book and North  
Denver High School the greatest of success in the  
years to come, believe me,

Cordially yours,

Miss Pat Whelan,  
and  
Mr. Ed Lindell,  
Dear Sirs:

Though I can still remember the butterflies which held conventions in my tummy at examination time, I look back to my old high school with so much pleasure and appreciation. The pleasure stems from very happy associations with teachers and classmates; the appreciation from the fact that it was there I learned to work, and not just pretend to work. There was an overall impress on the students to the effect "you have a mind, and you alone can decide whether you will use it to the fullness of your capacity or whether you won't. No one else can use your mind for you".

I can remember the afternoon in Latin class when we were led to note that the word "education" stems from "educare" -- to lead forth. It was pointed out that information gained from books and teachers is the material on which the powers of the students' minds go to work, and that ultimately it is the student who must lead forth the powers of his own mind; no one else can do it for him. Teachers can give him information but he must educate himself.

That is what education is in the full sense of the word. I believe it is the base of all success.

This was opened up for me at old North Denver High School. I shall never cease to be grateful.

I hope and trust that the same school is doing just as much for students now as it did for me.

With my very best wishes to North High School,

My dear Miss Whelan:

It is an honor and a pleasure to be remembered as an alumnus of North High School.

I have bright memories of my years there, and the fundamentals of mathematics which were taught me no doubt had a great deal to do with selection of my profession.

I should like to pass along to the present students at North High that in this highly competitive world the early selection of a profession is most important. High school years with their general courses of study provide an excellent opportunity for a young man or woman to determine the fields which they enjoy and in which they are most proficient.

In choosing a field of endeavor, everyone should try to follow a worthwhile objective from which he can obtain a feeling of satisfaction in his daily work.

Sincerely yours,

Dear Faculty and Students:

Congratulations to the "Viking" on its fiftieth anniversary!

A thought of the "Viking" brings back thoughts of three wonderful years at North High — years that set my decision to make radio my chosen field. The combination of prescribed courses, electives and extra-curricular activities that made up my high school years formed a perfect background for things that were to come. When television reared its demanding head, it was most fortunate that I could call on the broad background of knowledge I had gathered at North High and augmented at the University of Denver.

So I not only send congratulations to the "Viking," but also deepest thanks to North High for preparing me for today!

Sincerely yours,

Ralph Paul

THE VIKING  
North High School

Dear Miss Whelan:

It is a great pleasure for me to tell you how much the instruction I received, the associations I enjoyed and the friendly help and encouragement so freely given me at the North High School, has helped me in so many ways since my graduation.

I owe thanks to too many individuals to mention them all here, but I do want to tell you that the training and experience I received in the newswriting and printing classes, and as the Editor of The North Star, have helped me from the first day I want to work until now.

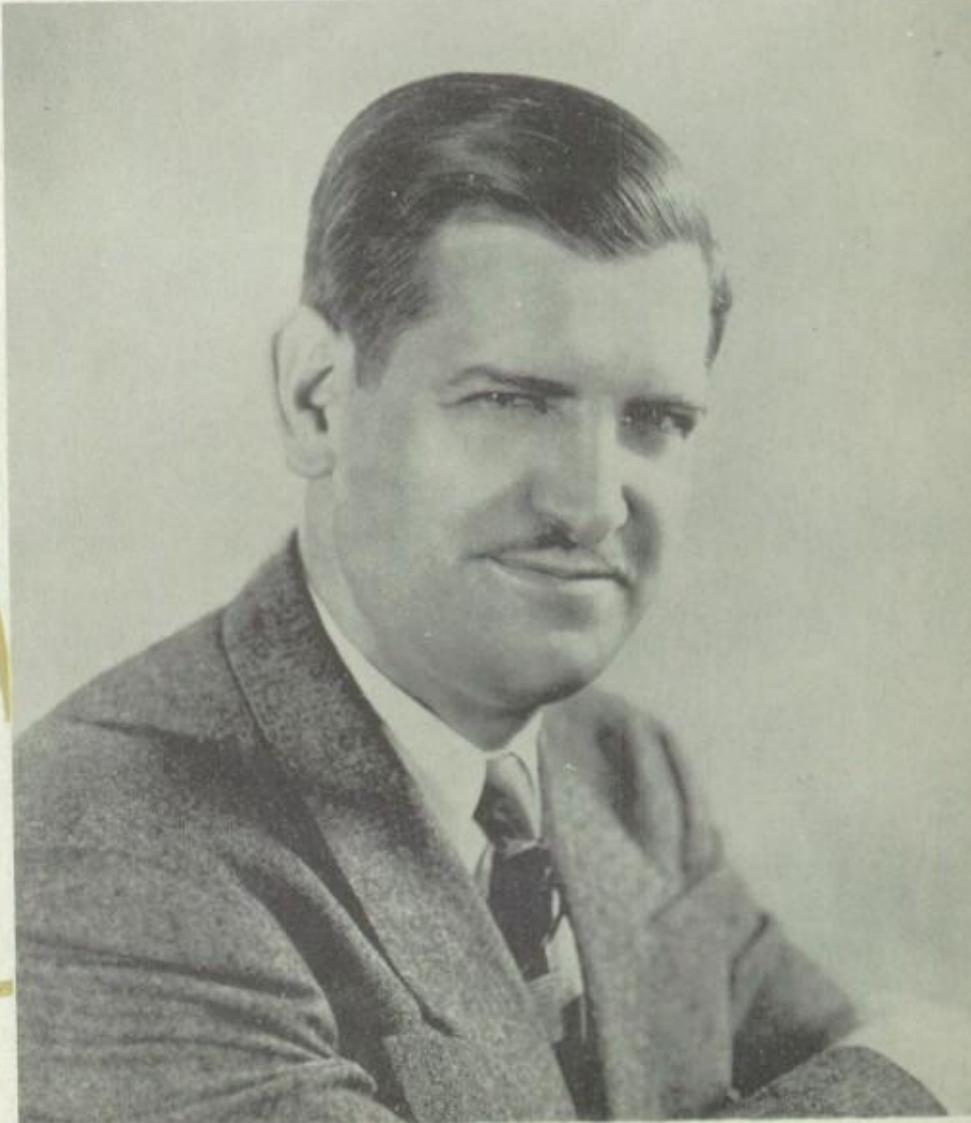

No advertising manager, public relations director or publicist, can execute his work properly without a knowledge of type, printing procedures and methods, and the basics of journalism.

May you make the Fiftieth Anniversary Edition of THE VIKING the best ever.

My best to you and everyone at North High.

Those who have gone before us who have taken their places as average American citizens, as well as those who have achieved national recognition, owe much of their success to the education they received at North. The education we receive during our high school years will make a lasting impression on our lives, so it is up to us to make the most of that education. Our lives are what we make them, and if we strive to make them good examples, mentally and morally, we can be successful in anything we do.

The VIKINGS opened their 1953 football season in a 6 to 6 tie with South. Bud Smith broke through to block a quick kick and recovered it in the end zone for NORTH'S only touchdown. Outstanding performances were turned in by J. D. Carlson, Rich Smith and Buddy Smith.

In NORTH'S second encounter with South, Tom Jenkins was the outstanding player. Jenkins scored two touchdowns, one on a thrilling 68 yard slash off tackle. The Rebel line was clearly outclassed by the VIKING forwards. Excellent performances were also turned in by Dick Volk, Rich Smith, and Jim Ferguson. Final score was NORTH 19 and South 0.

In the first meeting the VIKS went all out in a 38 to 0 conquest of Manual. NORTH'S terrific speed and desire were the main factors in the victory. Outstanding for the VIKINGS were Bill Bolton, Tom Jenkins, and Rich Smith. Each scored two touchdowns apiece.

As the score showed, the VIKINGS met a greatly improved Thunderbolt team, winning by the score of 21 to 6. Again the VIKS' tremendous speed and desire showed them the way to the victory path. Tom McNamara, 175-pound NORTH tackle, blocked two Manual punts. Tom Jenkins also played an important role for the VIKS.

The VIKINGS defeated the Cowboys in both outings, 13 to 6 and 20 to 6.

The first meeting with West was really a thriller. In the second quarter Paul Raider threw a long pass to Tom Jenkins, and the play covered 62 yards for a NORTH touchdown. The clincher came as Don Ponzio, subbing for the injured Rich Smith, made two good gains. Jenkins then scored from the 15, as he was helped out by Gene Hartley. The NORSEMEN won their homecoming game with a second half rally 20 to 6. Completely outplayed in the first half, the VIKINGS rolled for three third quarter touchdowns. Paul Raider, Earl McCall, Charlie Inagaki, Tom Worster, and Ronnie McKenzie were all outstanding.

A determined NORTH eleven completely outplayed a larger, stronger, and more experienced East team in the first of their two games. Even though the Angels were credited with a 13 to 6 victory, it was a moral victory for the VIKINGS. Outstanding for the NORTH team were Tom Jenkins, Dick Volk, and Rich Smith.

The second game between the rival schools was a thriller, with East getting a safety to win by the narrow score of 9 to 7. The VIKINGS were up for the game mentally as well as physically, but they just couldn't push over a final touchdown against the Angel defense. Outstanding NORTH players were Tom Jenkins, who scored the lone VIKING touchdown, Dick Volk, Jim Lantzy, Tom McNamara, and Rich Smith. Twenty of the players were participating in their last game for NORTH.

## swimming

The 1954 Swimming team ended the season with a record of two wins and two losses. This put them in third place in the City meet. It was the first year for Coach Lindell, successor to Harvey Riddle who retired last year, but the boys showed a lot of hustle, and worked hard for him all season. The squad boasted only one All-City man, in the person of Jim Hasty, a sophomore backstroker. Larry Morris, Don Vick, Melvin Mohr, and Bob Bold were outstanding throughout the year. Next year's team should be an improvement over this year's as there will be seven returning lettermen.

Other members of the team were Carl Gutnecht, Carl Faddis, Deloy Bethel, Carl Beltz, Ted Saito, Dick Sachoff, John Kunkler, and Frank Felix.

Next year's team should show some improvement, as six of the lettermen were either juniors or sophomores. It was Coach Hix's fifth year as VIKING golf coach.

The VIKINGS finished their first round of play with a one win and three loss record. In the opening game NORTH was handed a 58 to 53 loss at the hands of South. It was a disappointing game as the VIKINGS outplayed the Rebels, only to lose the game at the free throw line. The NORSEMEN were soundly beaten by Manual 69 to 53. In the West game the team finally came alive by upsetting the favored Cowboys 70 to 53. NORTH'S fast break wore down the Cowboys completely. Rich Smith scored 16 points and held Stan Albert, West star, to 11 points. Allan "Tojo" Freis, Carney Crisler, Keith Ancell, and Jim Ferguson were the heroes of the game. The VIKINGS started slow and finished fast in losing to East 59 to 54. The Angels stopped the fast break until late in the game when it was too late for the VIKINGS to catch up.

The VIKINGS opened the second round of play with a thrilling 52 to 49 victory over South. Then the roof fell in on the VIKS as they lost the last three games of the year, 68 to 59 to Manual, they were trampled by West 75 to 52, and were barely nosed out by East 49 to 42. Rich Smith was the star of this year's team, coming in second in league scoring with 125 points and playing very well on defense. Outstanding players and boys who saw considerable action were Carney Crisler, Paul Rairden, Stan Brown, Jim Ferguson, Allan "Tojo" Freis, George Crigler, Keith Ancell, Paul Erickson, Moreland Fink, and Ronald Tsuruda. Next season should be a good one with 6 returning lettermen to bolster the team. Good luck to the team of "55." Rich Smith was the only player to be named to the all-city team.

The match of the year was when East beat NORTH, 4 matches to 2. The doubles teams both won, while all the singles matches were very close. ## 1953 state

The entire NORTH team displayed an amazing amount of hustle throughout the 1953 season, winning six games and losing only two in taking charge of the City championship. The big men in the VIKING conquering drive were Tom Jenkins, who won the league batting crown with a neat .414 percentage, Gayl Bernhardt, the stellar right-hander for the NORTH-side school, and Ernie Anselmo, the team captain.

The championship was the first baseball title to be won by a NORTH team since 1945. NORTH placed five men on the All-City team.

A crowd of 500 VIKINGS gave the boys a rousing send-off, as Coach Mike Willett and a fifteen-man NORTH squad left for Grand Junction with high hopes of winning the State Class AA Baseball championship.

In the first round games the VIKINGS were pitted against the Tigers from Grand Junction, winning by a score of 12 to 4, as 1,400 spectators looked on. Greeley blanked Pueblo 3 to 0 in the other contest. The title game was played the following evening with Bill Glade, senior relief pitcher, replacing Gayl Bernhardt in the ninth inning with one out, and the score tied up at 2 to 2 as Gene Yost tripled and scored on a long fly to center by Ernie Anselmo. NORTH placed 5 men on the All-State team.

The 1953 VIKING track team had a fair season, finishing fourth in the city meet with 9 points and tenth in the state meet with 7 points. There were 10 lettermen led by Bert Frink who was high point man for the team. Bert also set the NORTH record for the discus with a throw of 145'1/2" in a practice meet.

This year's team should be bolstered by the return of 4 lettermen, Bill Bolton, Dick Kellenbenz, Jim Shibata, and Dick Volk. Donald Davis had the worst break of the year in the city meet. Donnie was leading in the stretch of the half mile run and broke open a large blister on his foot about 65 yards from the finish line. He finished third anyway but was disqualified for pushing on the last turn. Bert Frink was elected captain of the 1953 team.

THE 1954 VARSITY GYMNASTICS TEAM.

Although Gymnastics is considered to be one of the minor sports at NORTH it is one of the most difficult to compete in and to letter in. To obtain a letter in Gymnastics you must place in the first five final positions either in the A.A.U. Regional Meet or in the State Meet. You are judged by two men who give you a combined score consisting of 60 points for the difficulty of the exercise and 40 points for your execution and form while doing the exercise. This year's team will be greatly hampered by the loss of lettermen by graduation but Coach Klune says "they will be up there with the rest of the teams and fighting all the time."

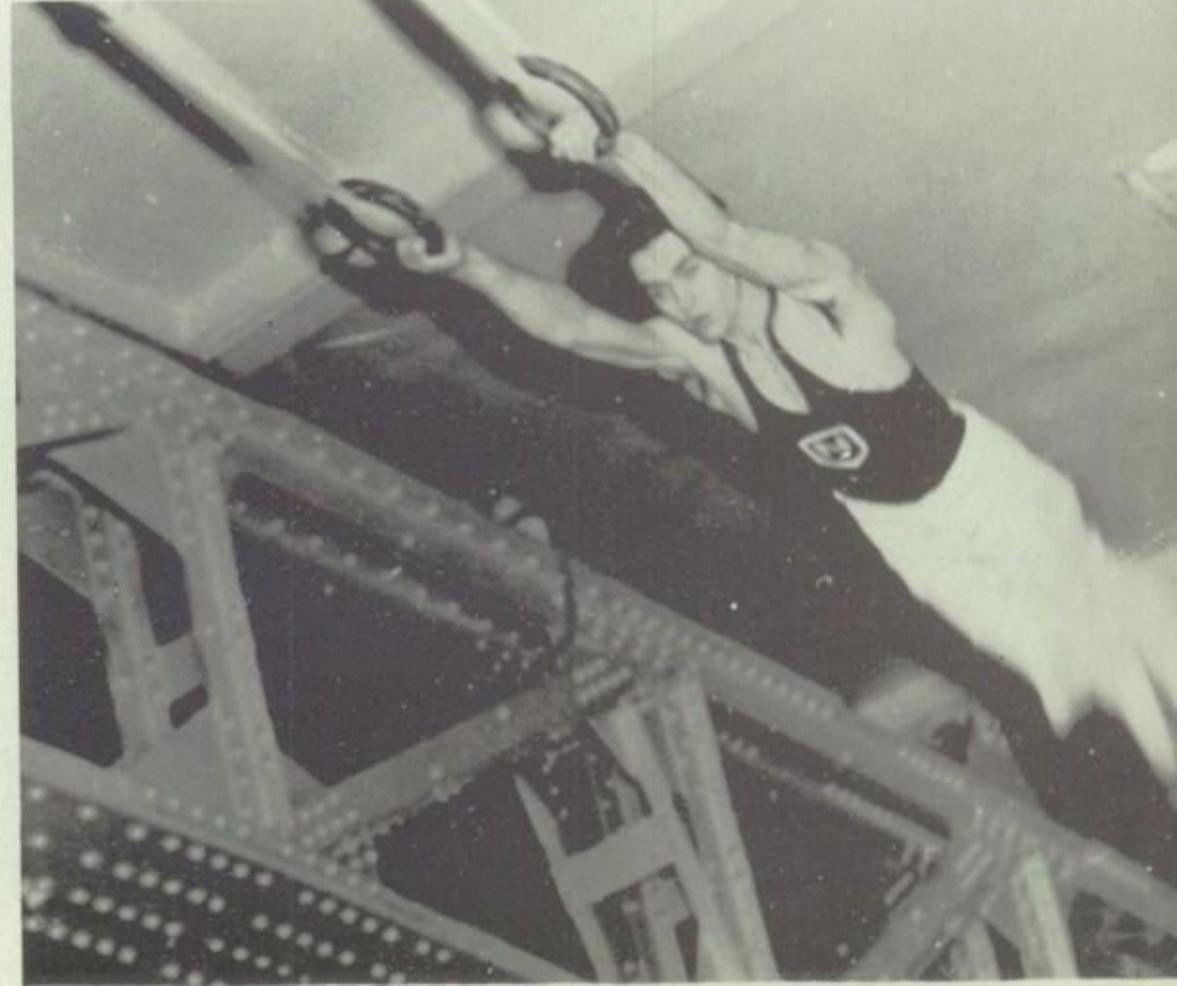

Returning lettermen are Jack Greenwood, and Jack Eblen on the Side Horse, Chuck Schaefer on the High Bar, Bill Bolton on the Parallel Bars and Mats. Outstanding prospects are: Grady Matthews, Paul Stone, Gene Pastor, James Johannsen, Claire Gilbert, Bob Kline, Ray Roland, Chuck Hansen, and Jim Rumin who was the Novice Champion last year.

IT'S A BIRD, IT'S A PLANE, IT'S SCHAEFER.

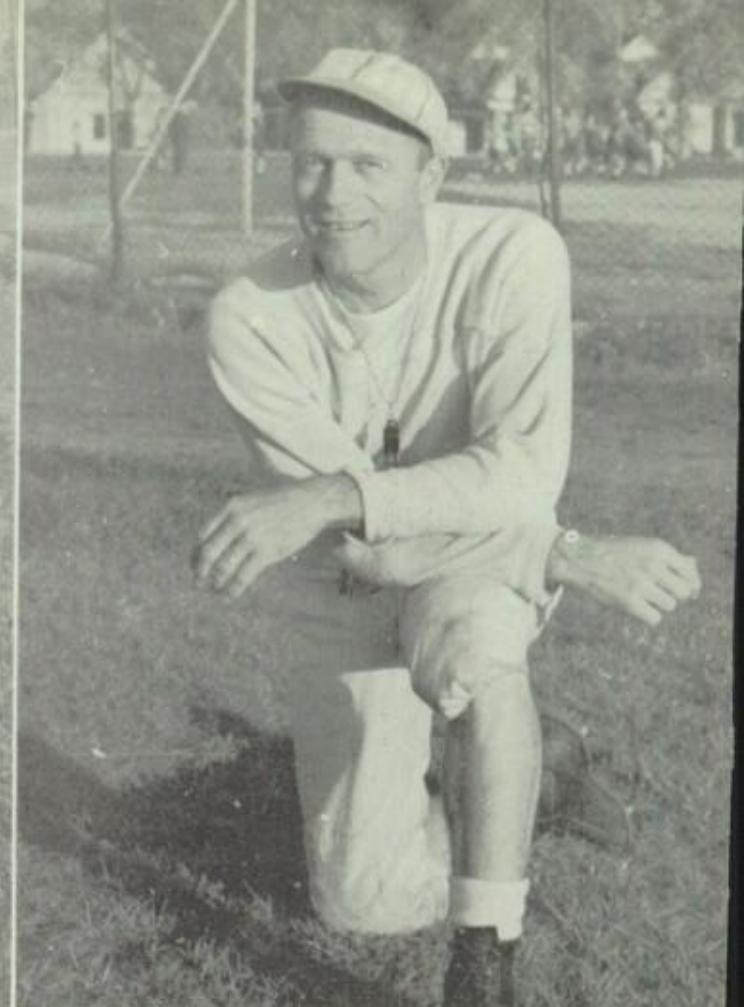

Coach Evans

Coach Klune

Coach Getsch

The coaching staff at NORTH, without a doubt, gets less credit for what they do, than any one group in the VIKING school. Unless you have been a member of one of the athletic teams at NORTH, it is rather hard for you to know just how hard a coach works to make ours a better school. Every night after school he must go out to the field with his boys and prepare them for the next game. Then after the game is over and we have won who gets credit for the win? Why the boys, of course; but when we lose who takes the blame? Now really, kids, they're a swell bunch of men, and everyone at NORTH should appreciate them for what they do for you, and the school.

Coach Martin

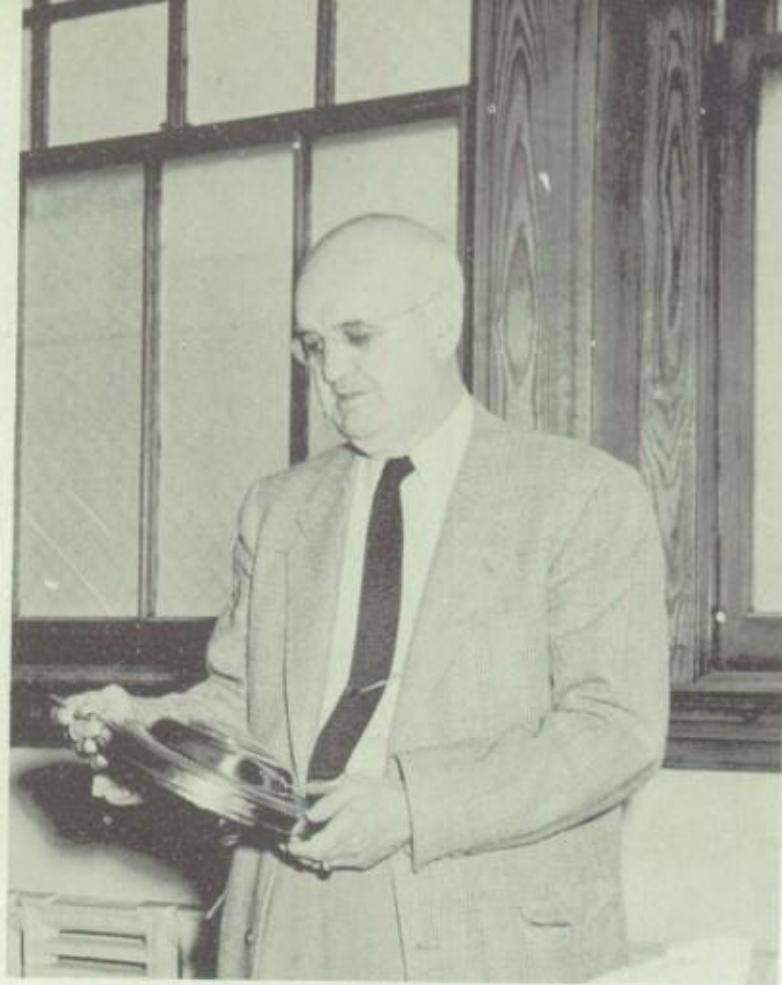

Coach Garner

Coach Hix

Coach Moles

In the fall of 1933, NORTH welcomed Coach Burwell O. Moles to its faculty and athletic staff. Now it's 1954 and Coach Moles retires as head wrestling coach. In 1949, Coach Moles retired as head baseball coach. No man in the Denver Prep League has ever left behind him such a great, and inspiring record. He piloted the VIKING baseball team for 16 years, winning 7 City championships and tying for 2 others. In wrestling, Coach Moles produced many stars, winning the City championships 16 times and the State title 9 times. His record of 6 consecutive City and State wrestling titles will probably never be broken. The Dean of Denver Coaches, "Mr. Wrestling" himself, Burwell Moles is also Head of the NORTH Athletic Department.

## HOLD 'EM SMITTY

The 1954 wrestling team again came out on top, winning by the score of 47 to 42 over West. Coach Moles retires this year after a very good season. He has now brought to NORTH 16 City Championships and 9 State Championships during his 21 years as VIKING wrestling coach. The VIKS boasted five All-City men. They were 95 lbs. Don Morris, 103 lbs. Bob Smith, 127 lbs. Ron Davis, 154 lbs. Earl McCall, and the 165 lbs. champ was Tom McNamara. The matmen will have only two returning lettermen next year. They are Don Morris, a sophomore, and Bob Moore, a junior. Lots of luck next year boys.

SOPH'S OUTSTANDING LINEMAN AND BACK TOM HANSEN AND DAVE SNYDER.

SOPHOMORE CAPTAINS, DAN FANGANELLO AND CYLDE LABRIOLA.

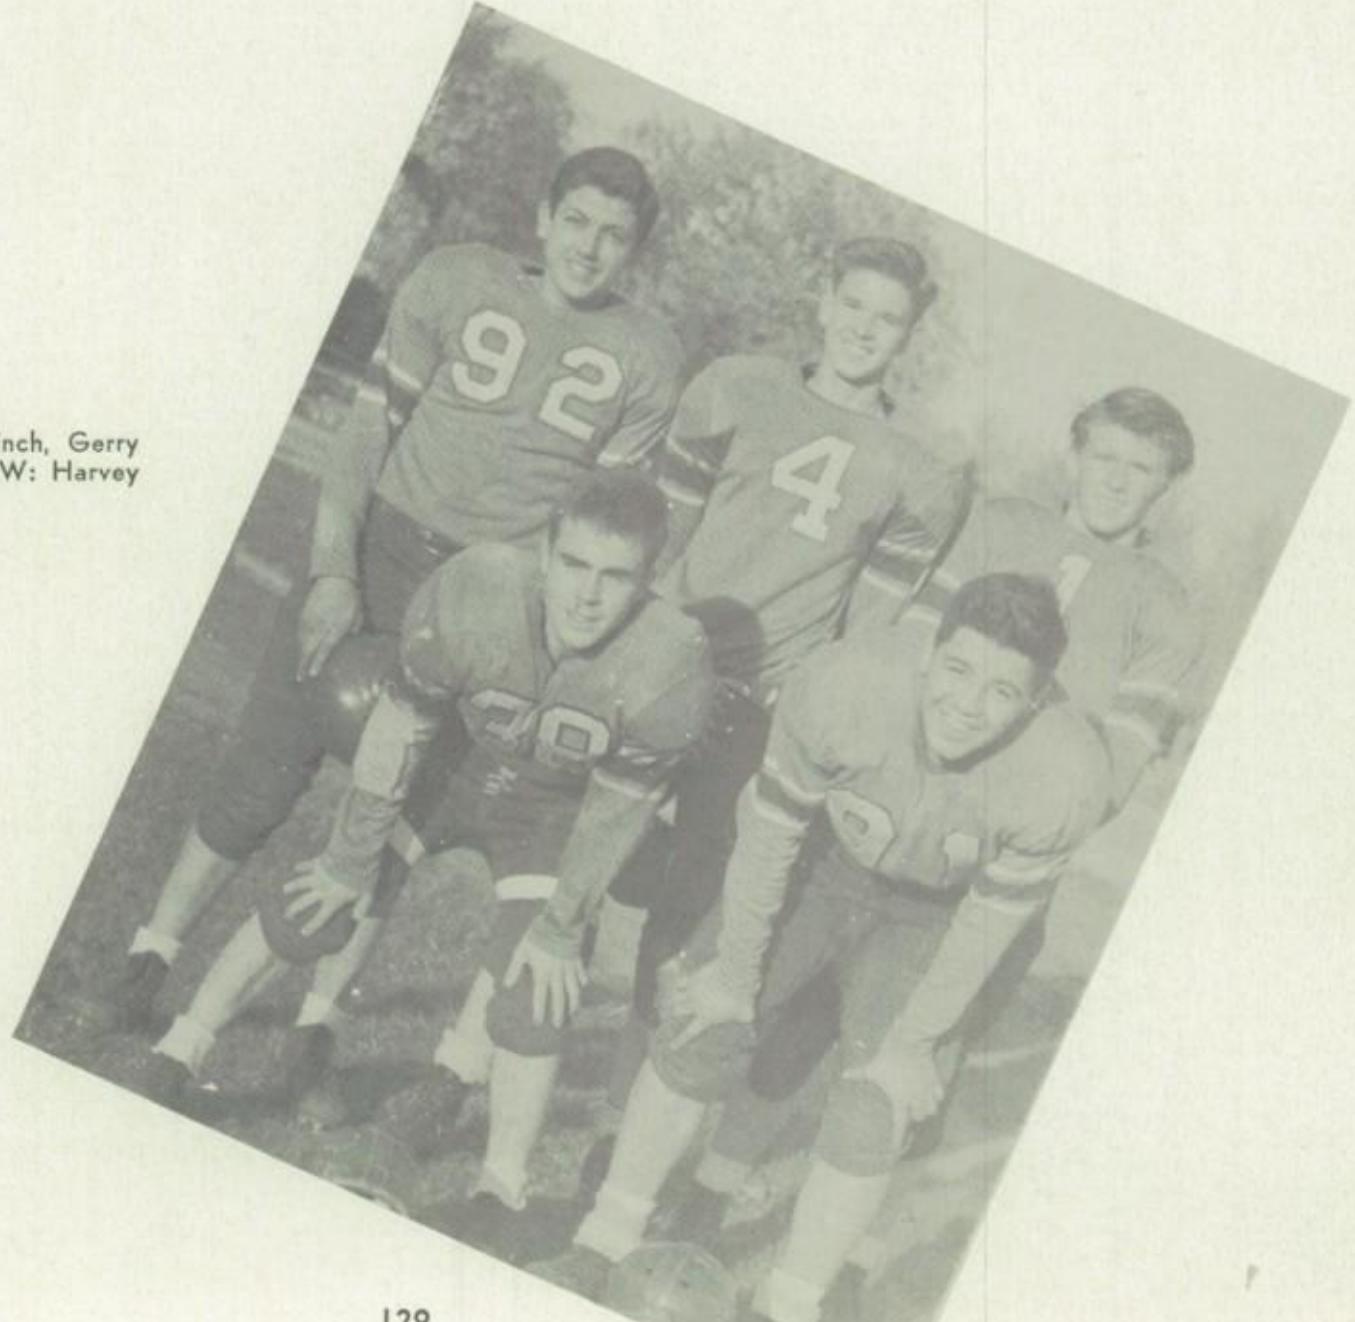

The 1953 sophomore football team finished in first place, and won the undisputed championship of the sophomore league. The sophs won all four league games defeating West 7-0 in the opener, with Tom Hansen and Clyde Labriola leading the way to victory. Next on the list was the East High eleven. NORTH responded to the call and whipped the Angels 19-0. Outstanding were Richard Lopata and Dave Snyder. In the VIKS third game, South got an early lead in the first quarter, but the sophs came back tremendously, and won by the margin of 25-6. Manual was the only team to score more than once against the NORSEMEN, doing so twice. The final score was 21-13 with the NORTH side boys on the long end of the score. Other outstanding players were Roy Leslie, Jerry Longman, Danny Loos, Gene Lewis, Harvey Cambell, and Gerald Blessinger.

Hi Tom, it's been  
two years since it  
was here and it  
has really had a  
pleasure to make.  
has a classmate  
of my sister

Dear Tom,

I haven't known you  
long, but we have had  
a lot of "kicks".

I wish you a lot of Luck,  
and wish you were out with  
me.
